Jackie,

Following our conversation last week, I proposed a fix along the lines we discussed. Al Garver, STC President was in town on Friday meeting with the Senate Commerce Committee regarding STC's testimony on the CPSC oversight hearing.

I asked him for a status report this morning, and will let you know how he responds.

Good morning, Walt.

Is there anything that I should know about with regard to the Synthetic Turf Council website?
Thanks in advance.

Jackie
